Western Australian Community Foundation  
PO Box 3348, Perth WA 6832

**Many thanks for your support.**

I do not wish to receive any further correspondence.

## Denmark Community's Future local advisory committee

The advisory committee is made up of local volunteer representatives from the Denmark community. Its role is to grow the fund, and seek and recommend local initiatives and programs for support through the grants program. Advisory committee members are also able to provide assistance in relation to promoting gifts, hosting fundraising events or facilitating bequests.

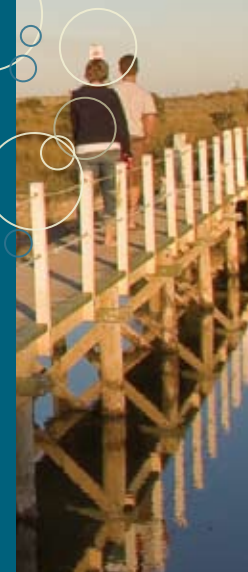

This is your chance to contribute to the social, cultural and economic well-being of your community now and into the future. For details on how to contact your local advisory committee member, please call (08) 9224 6000.

Western Australian Community Foundation is Trustee of Denmark Community's Future, overseeing all compliance and governance requirements and administration of the grants program.

Groups wishing to access funds will be required to follow a formal grant application process. Guidelines and forms for this process are available at [www.wacf.org.au](http://www.wacf.org.au) or by calling Western Australian Community Foundation on (08) 9224 6000.

For more information on how to contribute or participate please contact a member of the advisory committee or Western Australian Community Foundation.

Denmark Community's Future

# What do you see?

*Be creative, be positive, dare to dream...*

Denmark Community's Future is important to all who are inspired, interested or committed to the vision of a bright and prosperous Denmark. It is an opportunity to invest in that vision.

Stimulating and sustaining a dynamic, philanthropic culture amongst the Denmark community and business members is at the heart of Denmark Community's Future.

Denmark Community's Future has been established in partnership with Western Australian Community Foundation to promote and support local community and voluntary activities.

The first of its kind in the state, Western Australian Community Foundation is an independent, charitable organisation created to build stronger communities in WA. It does this by helping to build, grow and distribute endowed funds, providing a unique opportunity for communities to achieve long-term sustainability.

As Trustee, Western Australian Community Foundation is the umbrella organisation for WA communities to benefit from philanthropy, without the burden of administration and governance responsibilities.

*...What would you like to see? Most importantly, what can we all do today to help shape Denmark's tomorrow?*

## Gifts for the future

By giving to Denmark Community's Future you will be helping secure the sustainable future of Denmark.

Bequests or gifts of stock/funds and property can be received by Western Australian Community Foundation for Denmark Community's Future. These gifts, large and small, will be invested, along with any future contributions, with a portion of the income earned being made available through a grants program to the Denmark community.

A range of local community and charitable projects will be considered for funding support. Some may include initiatives in the areas of:

- aged care
- education
- environment
- health and well-being
- community facilities
- sport and recreation
- technology
- tourism
- children and youth
