INVESTMENT**

**THANKS!**  
FOR YOUR SUPPORT

# HYDEN COMMUNITY LEGACY

# THE HYDEN COMMUNITY LEGACY DONATION FUND IS THE PERFECT WAY TO ENSURE THE HYDEN COMMUNITY AND DISTRICT BENEFITS FOR ITS LONG TERM FUTURE.

HYDEN IS A THRIVING AGRICULTURAL & TOURISM COMMUNITY, WHERE A SMALL BUT ENTHUSIASTIC POPULATION WORK TOGETHER TO MAKE THEIR COMMUNITY A GREAT PLACE TO LIVE.

## HYDEN

More than 100,000 tourists visit the town every year to visit Wave Rock and other natural attractions. Local Indigenous art in Mulka's Cave is some of the best found in the southwest of Western Australia. Farming commenced in the area around 1922 with many descendants of these settlers still in Hyden today; founding a strong spirit and connection to community.

Hyden Community Legacy is a local initiative, supported by Western Australian Community Foundation, providing you with an opportunity to contribute a lasting legacy to the Hyden community and district.

## HYDEN COMMUNITY LEGACY

Hyden Community Legacy was established in 2004 under the trusteeship of Western Australian Community Foundation, to provide an opportunity for all people living and working in and around Hyden to invest in the future of the local community.

The Western Australian Community Foundation, an independent community organisation, provides the necessary governance and financial framework to promote philanthropy, serving as a connector to encourage and support community empowerment at the grass roots.

A long-term, sustainable financial model, Western Australian Community Foundation accepts and manages gifts on behalf of Hyden Community Legacy; with a portion of the income earned on the endowment used to provide a reliable and regular source of funds to support current and emerging needs of the local community.

## AT THE GRASS ROOTS

Western Australian Community Foundation has developed a network of volunteer local advisory committee members, representing a cross-section of community, to seek and recommend local initiatives and projects for support through the distribution of funds. This network ensures grassroots input and participation. No other community foundation in Australia shares this model.

At a public meeting in 2004 a volunteer local advisory committee was formed, comprising of representatives from business, sporting, education and community services. Since the establishment of the fund, the volunteer local advisory committee has been working to attract gifts, bequests and other contributions to promote their town's vitality and see the community grow.

## INITIATIVES AND IMPACT

The volunteer local advisory committee seeks and recommends local projects for support. To date, a number of worthwhile local community initiatives have been supported thanks to the generosity of the local community.

Contributions to the Hyden Community Legacy donation fund may be used to support community and charitable projects, some of which may include: **medical services; children's activity programs; landcare projects; aged care facilities; and mentoring and training for young people.**

Groups wishing to seek support are encouraged to speak with a local volunteer advisory committee member or a Grants Coordinator on ph (08) 9224 6000.

## GIVE WHERE YOU LIVE

Western Australian Community Foundation can accept non tax-deductible gifts from individuals, businesses, government or community organisations on behalf of Hyden Community Legacy.

Western Australian Community Foundation can also accept grain donations on behalf of the fund. Local growers can support '**WACF – Hyden Community Legacy**' (Supplier / Grower Name) through the donation of grain via LoadNet or via the Grower Service Centre on ph 1800 199 083. Please quote Supplier / Grower Number **20117826**.

Individuals may also choose to make arrangements to leave a bequest, ensuring the value of the gift is preserved in perpetuity, delivering benefits for years to come.

HYDEN COMMUNITY LEGACY IS A LOCAL INITIATIVE, ESTABLISHED TO PROVIDE AN OPPORTUNITY FOR EVERYONE TO MAKE AN INVESTMENT IN THE FUTURE OF THE COMMUNITY.
