

Tips on Giving Wisely

- **Budget for giving**

Plan your philanthropic activities right into your budget just as you would other financial obligations.

- **Be an informed giver**

Don't be afraid to ask questions. Give only when you feel comfortable that your dollars will be going to support the community you know and believe in.

- **Keep the right records**

For gifts you make to WACF you will receive from us a properly worded receipt as a confirmation of this whether you choose to give to the tax-deductible or non-tax-deductible fund.

- **Remember, your gift can be confidential**

If you prefer to have gifts from your charitable fund remain confidential, please let us know.

- **Consider alternative forms of giving**

Don't overlook the benefits you and your cause can receive from bequests, charitable gift annuities, gifts in kind, endowments and many other creative forms of giving. Ask any of the team at WACF.
